<http://www.laserinternational.org/europe/euromastersseries2010>

=====

1. RULES

- 1.1. Each regatta will be governed by the “rules” as defined in the Racing Rules of Sailing (RRS). The prescriptions of the National Authority will not apply.
- 1.2. Add to rule RRS A11: ARB means scoring penalty after arbitration, PTS scoring penalty for a yellow flag after finish.
- 1.3. Sails shall have the full sail number AND NATIONAL LETTERS in accordance with the Class Rules and RRS. The national letters shall denote the National Authority of which the sailor is a member in accordance with RRS 75.2 and with 2.1 Entry regulations below. This changes RRS Appendix G 1.1.
- 1.4. Laser class rule 7 (a) is restricted as follows “only one person shall be on board whilst racing. The person shall be named on the entry form”.

2. ENTRY REGULATIONS

- 2.1. Only current fully paid members of the International Laser Class Association may enter the regatta. During registration each sailor will be required to show clear written evidence of current membership of their

national Laser Association.

If a sailor is unable to present this, he/she will be charged a fee of € 70 (payable in local currency), € 10 of which will be retained by the collecting club and € 10 by ILCA, to cover administration. € 50 will be passed on to the sailor's district, who may refund it to the sailor if he/she is already a current member, or may put it towards that sailor's membership fee if he/she is not a member.

2.2. Crew substitution of the registered sailor is not permitted.

2.3. Competitors shall reach the following ages during 2010:

Age Group	Masters Category
35 to 44	Laser Standard Apprentice Master Laser Radial Apprentice Master Laser 4.7 Apprentice Master (Women only)
45 to 54	Laser Standard Master Laser Radial Master Laser 4.7 Master (Women only)
55 to 64	Laser Standard Grand Master Laser Radial Grand Master Laser 4.7 Grand Master (Women only)
65 and over	Laser Radial Great Grand Master Laser 4.7 Great Grand Master (Women only)

2.3 Any sailor who has not, by the closing time for registration, completed registration at the venue will be removed from the list of sailors for that event and will not be scored at that event. This also applies to sailors who have complied with all other entry requirements.

3. ENTRY FEES & MAILING ADDRESSES FOR ENTRIES

Entries must be made by the date specified on the ILCA website. Payment of entry fees may be made on site at some regattas, provided the competitor has entered and sent the completed entry form to be received by the entry closing date. Please check the information on the ILCA website for individual regattas. Where on site entry is available, sailors who did not complete an entry form by the entry closing date, or sailors who cannot show confirmation that the host has received their entry form by the entry closing date, will be charged the late entry fee. See also Notice of Race 2.3.

4. MEASUREMENT/INSPECTION

Boat and equipment may be inspected at any time for compliance with the class rules, wet clothing rules and sailing instructions at the discretion of the class representative, race committee or international jury.

5. SAILING INSTRUCTIONS

Copies of Sailing Instructions will be available from the Race Offices the day before the Regatta/s.

6. COURSES

Courses will be detailed in the sailing instructions.

7. BOATS AND EQUIPMENT

7.1. All competitors shall use only one hull, sail, mast, boom, centreboard and rudder.

7.2. In the event of damage, boats and equipment may only be substituted with the written permission of the Race Committee. If the damage occurs later than 90 minutes before the first scheduled start on a racing day and before the start of the last race of the day, provisional verbal permission shall be obtained from the Jury or Race Committee and the written permission of the Jury or Race Committee shall be applied for before the end of Protest Time at the end of the day in which the substitution takes place.

7.3. Female competitors shall place a red diamond on each side of their sail (back to back). The diamond shall be 240mm high and 180mm wide +/- 5mm and shall be located in the centre of the sail immediately above the top batten. Please see http://www.laserinternational.org/information/red_diamonds.pdf for more information.

8. PROGRAMME

8.1. If possible all Laser Standard boats start together (see also 8.2.). The Laser Radials and Laser 4.7's respectively will have separate starts if there are 5 boats or more. For 4 or less boats respectively the Laser Radials and Laser 4.7's start with the Standard fleet. In the latter case there are still separate fleet rankings extracted from the overall results for the Laser Radial and Laser 4.7.

- 8.2. Fleets might be formed if there are more than approximately 60 participants in each category. The fleets will be composed of one or several age categories in order to form fleets of approximately 20 to 60 participants. For better understanding the following EXAMPLE shows one possibility: 38 participants in "Fleet 1, Laser Standard Apprentice", 44 participants in "Fleet 2, Laser Standard Master, Laser Standard Grand Master and 23 participants in "Fleet 3, Laser Radial".

9. PENALTY SYSTEM

- 9.1. Appendix P will apply, with the following amendments:
- (a) If a first penalty is signalled after she has finished, a boat will be given a scoring penalty of 8 points without a hearing.
 - (b) Appendix P3 is modified to read: 'If a boat has been penalized for the first time under Appendix P1 and the race committee signals a postponement, general recall or abandonment, the penalty is cancelled, but it is counted to determine the number of times she has been penalized during the regatta. If a boat has been penalized for the second or subsequent time under Appendix P1 and the race committee signals a postponement, general recall or the race is abandoned, the boat shall not sail in this race if it is restarted or re-sailed. If she does, she shall be disqualified without a hearing and her score shall not be excluded.'
 - (c) Action by the jury under Appendix P shall not be grounds for a request for redress by a competitor. The jury however may initiate redress. This changes rule 60.1(b), 60.2(b) and Appendix P4.
- 9.2. Decisions of the jury will be final as provided in rule 70.5.

10. WHISTLE SYSTEM

To encourage boats to take penalties afloat, jury/protest committee members may blow a whistle when they see what they believe to be a breach of a rule.

11. INTERNATIONAL JURY

An international jury may be appointed in accordance with RRS Appendix N and perform the duties listed in RRS N2, in which case the decision of the Jury will be final.

12. SCORING

12.1. Individual Regattas

The individual regattas will be scored using the Low Point System according to RRS Appendix A. The Laser 4.7 fleet is only open to women.

The ranking at the individual regattas will be by extraction for each age category for each fleet and a separate ranking will be extracted from each age category for the Laser Radial women.

This ranking will be extracted from the overall position in the Laser Standard fleet and Laser Radial fleet unless there is more than one start in the Laser Standard fleet when the ranking will be extracted from the overall position in the starting fleet.

If a points scoring penalty would result in a score worse than DSQ, the penalty will be that corresponding to DSQ. The scores of other boats will not be changed.

12.2. Overall Series

The overall Series ranking will be by extraction for each age category for each fleet and a separate ranking will be extracted from each age category for the Laser Radial women.

The 2010 Euro Masters Series will consist of 12 regattas. A minimum of 2 races must be sailed by a competitor to be included in the 2010 Euro Master Series ranking and a competitor's best 3 results will be scored for the Overall Series.

The winner shall be the boat with the lowest total score. When there is a tie on the total points between two or more boats, the tie shall be broken in favour of the boat with the most first places, and when any such boats remain tied, the most second places and so on, if necessary for such races as count for total points. When the tie still remains, it shall stand as part of the final series results. This changes RRS A8.

13. PRIZES

- 13.1. Prizes for each Regatta will be awarded in the following categories subject to entry numbers.

Standard Fleet:

Laser Apprentice Standard (35 to 44 years)

Laser Master Standard (45 to 54 years)

Laser Grand Master Standard (55 to 64 years)

Laser Radial Fleet:

Laser Apprentice Radial Men(35 to 44 years)
Laser Apprentice Radial Women (35 to 44 years)
Laser Master Radial Men (45 to 54 years)
Laser Master Radial Women (45 to 54 years)
Laser Grand Master Radial Men(55 to 64 years)
Laser Grand Master Radial Women (55 to 64 years)
Laser Great Grand Master Radial Men (from 65)
Laser Great Grand Master Radial Women (from 65)

Laser 4.7 Fleet:

Laser 4.7 Women Overall

13.2 Overall Series

ILCA Cubes will be awarded for places 1 to 3 in each category subject to ILCA Honour Awards By Law.

14. SAFETY

Competitors shall wear personal flotation devices at all times when afloat, except briefly when changing or adjusting clothing or personal equipment. Wet suits and dry suits are not personal flotation devices. This changes rule RRS 40.

15. PHOTOGRAPHY CONSENT

By entering the Championships competitors accept that they may be photographed and/or videotaped participating in the race and/or using the Championship facilities and they consent to the taking of such images and to the use, reuse, publication and republication of such images in any media, in conjunction with the competitors name or not, without compensation and without the competitors approval of such images or any use thereof.

16. LIABILITY

The Sailing Clubs, the National Authorities and the International Laser Class Association, their officers, members and volunteers do not accept liability for loss of life or property, personal injury or damage caused by or arising out of the Euro Masters Series regattas and competitors take part in the regattas at their own risk.

The establishment of the Notice of Race and the Sailing Instructions in no way limits or reduces the complete and unlimited responsibilities of a competitor being solely and entirely responsible for the management of a boat he or she is sailing.

A competitor must be of good health and a competent sailor capable of sailing a Laser in strong winds.

It is the responsibility of each sailor to decide to participate in a race or to continue racing.

A competitor is wholly and exclusively responsible for third party liability insurance on the boat that he or she is sailing and for his or her personal accident and health insurance.

Insurance requirements details for each regatta can be found in the regatta information below.

17. ADDITIONAL INFORMATION

Additional information will be notified either from the International Office or from individual organising clubs.

18. VENUE INFORMATION
